G. O. No. 20025/2/2011-C&LM-II

Dear

श्री कोल्हिन,

As you are aware the Particularly Vulnerable Tribal Groups (PTGs) (earlier called as Primitive Tribal Groups (PTGs) have been identified by the Government of India in the end of the 5th Five Year Plan for formulation of Tribal Sub-Plan (TSP) strategy in the States/UTs, to help the extremely backward tribal groups within the Scheduled Tribes. The criteria adopted for identification of a community as Particularly Vulnerable Tribal Group (PTGs) (earlier called as Primitive Tribal Group) were as under:-

- i. Pre-agricultural level of technology,
- ii. very low level of literacy and
- iii. declining trend of population.

The Scheduled Tribes are notified under Article 342 of the Constitution of India. The list of Scheduled Tribes so notified is State/UT specific. Though some of the communities identified as PTGs have been included in the list of Scheduled Tribes as notified in the Gazette, still some of them have not been notified as Scheduled Tribes. These PTG communities, which are not identified as Scheduled Tribes need to be included in the list of Scheduled Tribes of the concerned States/UTs.

2. The criteria for determining tribal characteristics of a community are:
 - (a) Indications of primitive traits;
 - (b) Distinctive culture;
 - (c) Geographical isolation;
 - (d) Shyness of contact with the community at large; and
 - (e) Backwardness.

It is pointed out that the Hon'ble Apex Court in its decision dated 28-11-2000 in Civil Appeal No. 2294 of 1986 - State of Maharashtra V/s Milind had held that (refer item (2) of Para 29 of the judgment) "the Scheduled Tribes Orders must be read as it is, it is not even permissible to say that a tribe, Sub-tribe, part of or group of any tribe or tribal community is synonymous to the one mentioned in the STs order if they are not so specifically mentioned in it".

106

A statement indicating the name of communities identified as Particularly Vulnerable Tribal Group (PTGs) and notified in the list of Scheduled Tribes in the State/UT is enclosed. It is pointed out that the spelling of the names of PTG community (under lined) is not, as per the spelling of the names of the community notified in list of the STs.

The Government on 15-6-1999 further revised on 25-6-2002 has laid down the modalities for determining the claims for inclusion in, exclusion from and other modifications in Orders specifying Scheduled Castes and Scheduled Tribes lists. According to these modalities, only those proposals, which have been recommended and justified by the concerned State Government, the Registrar General of India (RGI) and the National Commission for Scheduled Tribes are to be considered for amendment of legislation.

It is therefore requested that the following proposal/details may be sent to this Ministry for further processing the proposal for inclusion of community identified as PTGs in list of the STs in the State/ UT.

- (i) Proposal along with justification for inclusion of PTG community in the list of Scheduled Tribes notified under Article 342 of the Constitution in list of the STs in the State.
- (ii) A copy of the order under which the PTGs were identified by the Government of India in the State.
- (iii) Spelling of the names of community identified as PTG in the State may also be confirmed by tallying from the spelling of the names of Scheduled Tribes communities listed in the list of STs in State.

with Request,

Yours sincerely,

(A.K. Dubey)
